## What is the SmartScan Van?

From July 2018 the SmartScan Van will be travelling around the UK and Europe showcasing the Thorlux SmartScan wireless lighting management system.

Visitors to the van will get the chance to see first-hand the SmartScan system in operation and speak to our expert product managers.

Bringing the SmartScan experience to a town near you!

Book your demo at [thorlux.com/smarts SCAN](http://thorlux.com/smarts SCAN)
